#### DÉCORS & PANORAMIQUES

Not only the pattern appeals to the imagination, the material used is also surprising. From velvety soft silk looks and bouclé fabrics to sophisticated linen effects.

The hand-painted scenes of the "Panoramiques" are artistic gems and always consist of several panels that together form one panoramic whole.

"Décors" are lavish images that make a statement on the wall. These eye-catchers are available by the linear metre, easy to use in any room.
