HOME 30
CONCEPT

HOME 30 CONCEPT

Make no compromise on design and quality, your home deserves the best (floor)!

HOME 30 is the ideal all-in-one flooring solution for your new interior decoration.

With 30 exclusive and authentic natural colors, HOME 30 brings the premium look your home deserves.

All 30 designs are available in 2 different product structures* to meet all functional expectations (*dry back and rigid click acoustic LVT).

5 colorways are also available in a herringbone pattern to bring a fashionable atmosphere into your home.

HOME 30 is simply the best 2-in-1 LVT concept of the market!

Products benefits

Best value for money.

2 product structures suitable for residential and light commercial uses.

Resistant to scuff, scratches and stains. PUR Ecoprotect™ surface treatment for an easy cleaning.

Direct installation over most existing hard surface floors. Little or no subfloor preparation required (SOLIDE CLICK 30).

Suitable for underfloor heating.

Integrated acoustic pad for high sound reduction (SOLIDE CLICK 30).

100% waterproof.

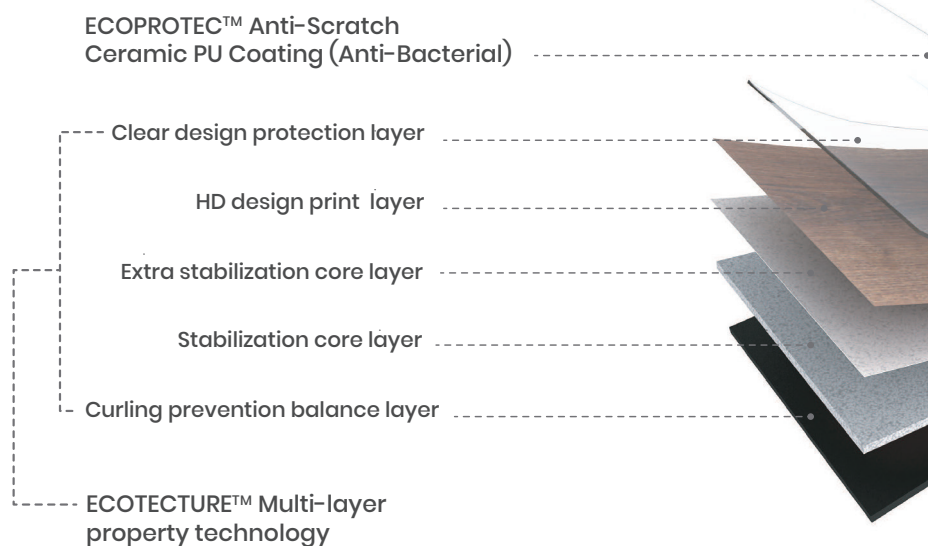

Quick and easy to install thanks to the fold-down vertical click system (SOLIDE CLICK 30).

Very low VOC, phthalate free and 100% recyclable.

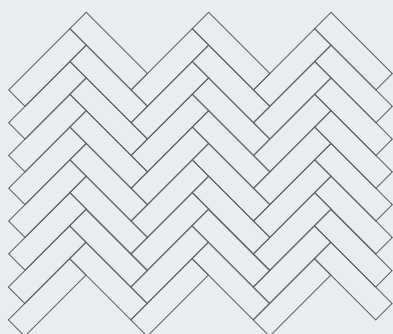

Can be removed without leaving any residue (SOLIDE CLICK 30).

ECO30 (OFD)

SOLIDE CLICK 30 (OFR)

HERRINGBONES PATTERN

HERRINGBONES

The aesthetics and timeless elegance of a herringbone floor is unique.

Herringbone patterns tell the story of castles, classical mansion houses and museums. They can also play a magnificent role in modern and classic homes.

HOME 30 CONCEPT

HOME 30 is the ideal all-in-one flooring solution for your new interior decoration.

With 30 exclusive and authentic natural colors, HOME 30 brings the premium look your home deserves.
